Course description

Good old turf throughout. We will agrivate if necessary. The 1st water on the Int course will be changed. The courses are beautifully built by Willis Brothers and combine technical fences with a good, galloping track with no tight twists and turns. They run on turf over deceptively undulating parkland so horses need to be fit. All combinations have good alternatives. Overall, all four tracks are a fair test at their respective level.

SJ Course Designer TBC

XC Course Designer Mr Eric Winter

XC Course Designer Willis Brothers

Accommodation/catering

Please see the schedule on the website.

Special notices
